Plug Valves

Chenglin manufacture filed proven premium quality plug valves offering for a wide range of well drilling production&well-servicing applications. Available the range in size 1"ro 3" & pressure rating upto 15000psi. Other valve products, such as check valve and needle valve, are also available. Consult factory for details.

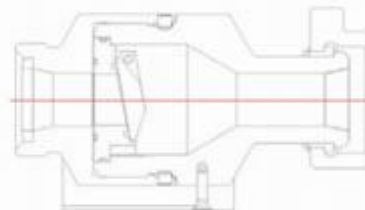

Check Valves

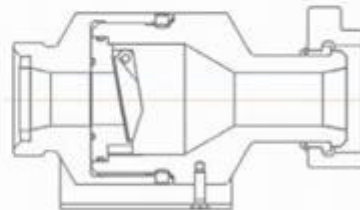

Check Valves

Size(in)	CWP*	Style	End connection
1"	15000PSI	Flap	FIG1502
2"	10000PSI	Flap	FIG1502
2"	15000PSI	Dart	FIG1502
2"	15000PSI	Flap	FIG1502
3"	15000PSI	Dart	FIG1502
3"	15000PSI	Flap	FIG1502

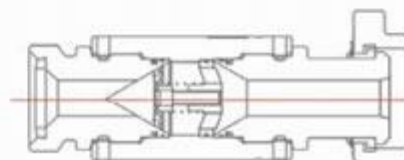

※CWP: Cold working pressure

Flap check valve

Flap check valve

Dart style check valve

Needle Valves

Size(in)	CWP [®]	Configuration	Nominal diameter
2"	6000PSI	TBG/LP	42
2"	10000PSI	TBG/LP	42
2"	15000PSI	FIG1502	42

※CWP: Cold working pressure
